Please Return Pie Drive Orders by Next Monday 6 May.
Delivery will be Friday May 17 at 3pm.

Trellis Inventor Returns
Next Tuesday, the inventor of the school trellis, Baz van der Ende will return to the Far North and be at Feluga to inspect the progress of our fruit growing trellis.

Students have been regularly monitoring the growth of their ‘adopted’ rare or tropical fruit tree and charting the progress.

Baz will be here at 1pm when there will be the formal unveiling of a sign thanking various people for their contributions. Many people from our community will be present and all parents and friends of Feluga State School are cordially invited as well.

Football Carnival This Friday
Five children from the upper school will be involved in a football (soccer) carnival this Friday, playing in small schools boys and girls teams, with El Arish and Kennedy State Schools against other local schools at Lower Tully State School. Apart from being a day of competition to decide the local champion school, the day is a selection process for the regional carnival that takes place in Cairns later in the month.

Cross Country Winners
Last Wednesday our cross country was held. Our runners were very competitive. The winners were:

- 5 years old: Jaiden Baker and Jessica Blanco
- 6 years old: Ryley Herrod and Nari Herrod
- 7 years old: Reef Stonehouse
- 8 years old: Layla Hoare
- 9 years old: Alex Hoare and Rebecca Irwin
- 10 years old: Zyi Hoare and Rachel Irwin
- 11 years old: Jared Blanco
- 12 years old: Ezra Matthews & Cherelle Fitzgerald
- Over 13 years: Steven Herrod and Tara LaSpina

The winners in the upper classes have been invited to attend the district cross country with Mrs Reichardt on Wednesday, 8th May at Lacy’s Creek.

Jared Blanco’s run was particularly impressive, taking just 15 minutes 6 seconds to complete the 3 kilometre course – that’s one kilometre every 5 minutes and still had petrol to kick in the final 100m. On a personal note, I loved the fact that so many parents were here to cajole, encourage and coach their children a race that honestly, I couldn’t complete. I loved the fact that the parents were enthusiastic enough to compete in their own races as well. It was a terrific sight, seeing the big people thundering around the track. Also, educationally, when parents are involved with their child at school, it enhances the educational and social outcomes for the child. So thank-you, that’s straight from departmental research.

Tag-Team Tuckshop on the Boil
Tag team tuckshop is working well. Next Friday, Laura and Samantha Herrod and Stacey Schultz will make hot dogs with cheese and jelly fruit cups – delicious. We are hoping most parents will find a couple of hours in a term to make some other gastronomic delight.

Two weeks ago Amanda Matthews and Lea Keto cooked mini pizzas. What’d you think kids?
Charlotte: It was very yummy!
Jaiden: I like pizza, heaps and heaps of pizza and I eat it like cookie-monster.
What’s Happenin’?

Queensland State of Origin Originals

Have you got your winning tickets, yet?

Naplan tests

Tuesday 14 May - Reading
Wednesday 15 May – Writing & Language
Thursday 16 May - Maths
